

Huiling Meng

hmeng@se.cuhk.edu.hk | +86 188 5200 5299 | [huilingmeng.github.io](https://github.com/huilingmeng)

SE&EM, The Chinese University of Hong Kong, Shatin, Hong Kong

Research Interests

Reinforcement Learning and Online Learning, Revenue Management, Experimental Design, Operations for AI Systems

Education

Ph.D. in Operations Research Aug 2022 – Jul 2027 (Expected)

- Department of Systems Engineering and Engineering Management, The Chinese University of Hong Kong
- Advisor: Prof. Xuefeng Gao

M.S. in Probability and Mathematical Statistics Sep 2019 – Jun 2022

- Department of Mathematics, Nanjing University
- Advisor: Prof. Wanyang Dai

B.S. in Statistics Sep 2015 – Jun 2019

- Department of Mathematics, Nanjing University

Academic Experience

Visiting Ph.D. Student, Rotman School of Management, University of Toronto Jan 2026 – Aug 2026

- Host: Prof. Ningyuan Chen

Publications and Working Papers

- [Reinforcement Learning for Intensity Control: An Application to Choice-Based Network Revenue Management](#)
Huiling Meng, Ningyuan Chen, Xuefeng Gao
Operations Research, accepted, 2026.
 - Preliminary version accepted at *NeurIPS 2025 Workshop ML×OR*.
- [Design Experiments to Compare Multi-armed Bandit Algorithms](#)
Huiling Meng, Ningyuan Chen, Xuefeng Gao
Under review at *Operations Research*.
 - Third Prize, 2026 POMS China Best Student Paper Competition.
 - Selected for presentation at the 2026 MSOM Conference.
- [Reinforcement Learning for Continuous-Time Jump Markov Decision Processes with Applications to Network Dynamic Pricing](#)
Huiling Meng, Ningyuan Chen, Xuefeng Gao
Preparing for submission

Selected Talks

POMS International Conference in China, Xi'an	2026
MSOM Conference, Boston	2026
POMS-HK International Conference, Shenzhen	2024, 2026
INFORMS International Meeting, Singapore	2025
INFORMS Annual Meeting, Seattle	2024

Teaching Experience

Teaching Assistant, The Chinese University of Hong Kong

- SEEM 5580: Advanced Stochastic Models (*PhD-level course*) Fall 2025
- SEEM 4760: Stochastic Models for Decision Analytics Fall 2024
- ENGG 2780: Statistics for Engineers Spring 2023, 2024, 2025
- ENGG 2760: Probability for Engineers Fall 2022, 2023

Teaching Assistant, Nanjing University

- Calculus II (Tier 1), Department of Computer Science and Technology Spring 2020, 2021

Academic Service

Reviewer for *Operations Research Letters*

Selected Honors & Awards

Reaching Out Award, The Chinese University of Hong Kong	2026
Postgraduate Studentship, The Chinese University of Hong Kong	2022 – 2026
Outstanding Graduate, Nanjing University	2019, 2022
National Scholarship, Ministry of Education of China	2020
Provincial First Prize in the National College Student Mathematics Competition	2017

Skills

Programming: Python, Matlab, SQL, $\text{\LaTeX}$

Languages: Chinese (Mandarin), English
